

## Concrete expansion anchor M8x100mm SS304

Part Number: RC11814

Netceed concrete expansion anchors are anchoring system to be installed on concrete walls and surfaces.

### Technical Data

	RC11814
Material	Stainless Steel 304
Dimensions (mm)	M8 x 100
Diameter of the expansion (mm)	12
Mechanical strength (daN)	400
Piece weight (kg)	0,09
Primary packaging (pcs / box)	50 pcs
Secondary packaging (box/carton)	6 boxes / carton 300 pcs / carton
Transport packaging (carton/pallet)	60 cartons / pallet 18000 pcs / pallet
