

# Presslok™ Crimp Tools Hand Crimping Tool E-9Y

CORNING

**Part Number:**  
**DE010024607**

With the Presslok™ series of tools and connectors, service providers can meet the demand for enhanced customer services such as high-speed internet, video-on-demand, and video conferencing. Presslok connectors also offer full wire-range capability, increased port size to accommodate up to 2.08 mm (0.082 in) insulation sizes, and solvent resistant plastic construction. As new technologies migrate into the local loop, the importance of reliable connections in the embedded plant has increased exponentially. Each connection is a potential point of failure in high-bandwidth applications, which could require additional time and expense for a technician to repair. That is where the full line of Presslok connectors can really make a difference.

## Features and Benefits

---

Engineered to fit comfortable in hand

---

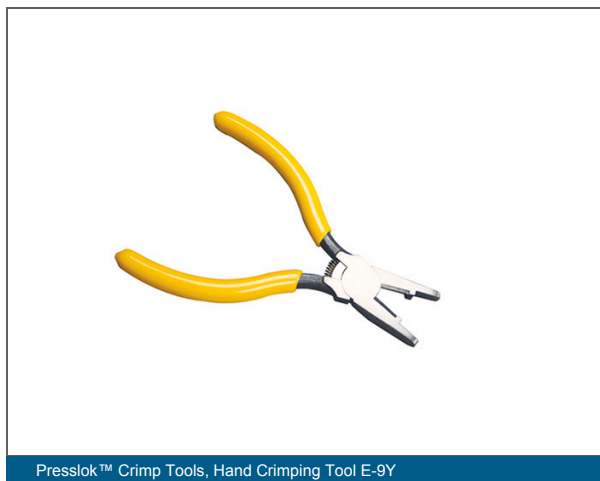

Provides mechanical advantages for less operator fatigue

---

Adjustable jaws on some models

---

Automatic cartridges on some models

## Specifications

### Ordering Information

Product Number	DE010024607
EAN Code	4059496561010
Units per delivery	1/1

### Standards

RoHS	Free of hazardous substances according to RoHS 2011/65/EU
------	---

### General Specifications

Product type	Wire Connector
