

## Microfocus Dispensing Pump (220 ml)

### Features

- > Holds up to 220 ml of isopropyl alcohol or other cleaning fluids
- > Twist-lock pump can be locked/unlocked with a simple twist
- > Spill-proof lid holds fluid securely, preventing waste from spills and leaks
- > Easy-to-use pump delivers a controllable amount of fluid with each press

The ITL103020 Fluid Dispenser is designed to store and dispense cleaning fluids, such as isopropyl alcohol, to clean the end-faces of fiber optic cables. With a spill-proof lid, 220 ml capacity, and suction pump, this fluid dispenser is the most convenient way of carrying and dispensing cleaning fluid.
