

## Microfocus Adjustable Wire Stripper & Cutter

### Features

- > Spring-loaded with a locking latch for convenient operation
- > Wire looping and bending hole is perfect for solid conductor wire
- > Scored marks on the blade measure wire length with ease
- > Made of high carbon steel with a black oxide coating for long life and durability
- > Vinyl cushion grips provide excellent grip and comfort

Designed with a precision-ground "V" notch blade and adjustable blade stop for superior stripping, this adjustable wire stripper and cutter is perfect for stripping and cutting 2,6-0,25 mm solid and stranded wire.

### Specifications

Wire gauge	2,6-0,25 mm
Length	127 mm
Weight	100,24 g
UPC no.	811490016903
Item Code	ITL103029
