

Microfocus Fiber Optic Stripper 180 µm

Features

- > Used for stripping the 180 micron coating down to the 125 micron optical fiber
- > Unique ergonomic design prevents nicks or scratches on the optical fiber
- > Blades are ground and hardened for higher durability and longer life
- > Ergonomic thermoplastic rubber (TPR) handles are comfortable and easy to use

Made with preset factory settings and no adjustments required. This fiber optic stripper is designed to strip 180 µm buffer coating to expose the 125 µm optical fiber in fiber optic cables.

Specifications

Cut type	Strip
Cable type	Fiber Optic
Cable diameter	180 micron
Handle grip material	TPR (Thermoplastic Rubber)
Handle color	Microfocus Blue
Length	152 mm
Weight	138,35 g
UPC no.	810053350294
Item Code	ITL103031
