

## Microfocus Microduct Deburring Tool

### Features

- > S-shaped blade cleanly deburrs the edges and insides of microduct tubes
- > Blade made from tempered HSS (high speed steel) for maximum sharpness and durability
- > Ergonomic rubberized handle provides a secure and comfortable grip while deburring
- > Can also be used on brass, steel, aluminum, copper, or PVC pipes
- > Great for removing debris from 3D printed parts
- > Lifetime Warranty

Designed to deburr the insides of microduct tubes, this rapid microduct deburring tool is perfect for preparing the inside of fiber optic microduct tubes for termination.
