

Fatmax foldable workbench

General information

Description	This foldable workbench will follow you everywhere. With a simple push, it unfolds in seconds to provide a large work surface. Its thinness makes it easily transportable and allows it to be stored without bulk. It is made in such a way as to allow you to wedge and clamp all your materials to be cut or worked. Its metal feet give it stability and robustness.
Article Number	IYM100488
