

E026 : CUTLASS

all round washroom cleaner and disinfectant

Description of product

Fresh lemon fragrance. Provides effective sanitising action. Independently tested to BS6471 QAP50. Formulated for safe hand use. Eliminates unpleasant smells at source. Prevents hard water scale accumulation.

Product Uses

For the regular cleaning and sanitising of all ceramic, stainless steel, painted and other non-porous surfaces. Recommended in bathrooms, shower rooms and for general housekeeping applications.

Directions

To clean and sanitise all hard surfaces dilute 1 part to 80 parts hot water. For sanitising soak for 10 minutes in a solution of 1 part to 40 parts hand hot water.

iN Insight Supported

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/in insight>
