| Guarantee (Yrs): | 2 |

The HELM is an energy efficient and modern looking hand dryer. It is CPU controlled and provides a concentrated volume of warm air whilst using the minimum power. It utilises an innovative air duct and nozzle design to provide fast and efficient hand drying usually only associated with products consuming more than twice the energy. It is ideal for use in all public and private bathroom facilities.

| FEATURES | BENEFITS |
|--|--|
| <ul style="list-style-type: none"> High speed high efficiency motor | <ul style="list-style-type: none"> Makes energy savings of almost 50% compared to conventional dryers |
| <ul style="list-style-type: none"> High efficiency streamlined air duct and nozzle design | <ul style="list-style-type: none"> These design features combine to produce a concentrated stream of high speed air to dry hands in under 10 seconds |
| <ul style="list-style-type: none"> CPU Controlled | <ul style="list-style-type: none"> Control of motor, sensing and protective elements provides safe, fast, efficient and reliable hand drying |
| <ul style="list-style-type: none"> PIR actuated | <ul style="list-style-type: none"> Drying starts immediately hands are placed within 15cm of the drying nozzle Hand dryer stops 1 second after hands are removed ensuring energy is not wasted |
| <ul style="list-style-type: none"> Automatic LED lamp illumination | <ul style="list-style-type: none"> Provides local lighting when PIR activated to see hands are both clean and dry |
| <ul style="list-style-type: none"> Incorporates protective elements <ul style="list-style-type: none"> Re-setting bi-metal strip Thermal fuse back up Auto shut off | <ul style="list-style-type: none"> Over heating will not occur to cause damage to unit Provides safe shutdown of unit Ensures unit goes off after 60 seconds to save energy |
| <ul style="list-style-type: none"> Modern design Choice of white or satin silver finish | <ul style="list-style-type: none"> Looks attractive Provides colour options to match decor |
| <ul style="list-style-type: none"> Aluminium main body | <ul style="list-style-type: none"> Strong construction and less likely to be damaged |
| <ul style="list-style-type: none"> Full fitting kit provided <ul style="list-style-type: none"> Anti theft bar Instructions Fixing template Screws & plugs | <ul style="list-style-type: none"> Makes installation fast and simple Unit cannot easily be illegally removed once fitted |
| <ul style="list-style-type: none"> 2 years guarantee | <ul style="list-style-type: none"> Provides confidence that it is a high quality, long life product |
