These high quality single circuit track kits provide the option of the Acorn enclosed, or the Petite open version of track head. Both kits are complete with 1m of track, 3 track heads and 3 x 50W Halogen lamps so provide a readymade solution for illumination in many areas. Rated at 16 amps, the track may be extended using the joiners and direction changing accessories, and additional fittings in the range to accommodate more complex and bespoke designs.

Suitable for domestic, commercial, entertainment or retail type applications including:

- Dining and kitchen areas
- Hotels, pubs
- Bedrooms
- Showrooms
- Shop window and Gondola displays
- Entertainment venues
- Restaurants
- Hairdressers & salons
