

Safe. Simple. Effective.

## Ariel Professional Washing Powder Antibacterial

Professional detergent formulated to deliver outstanding cleaning and remove 99.999% of bacteria.

### Use Ariel Professional

### ...for outstanding business results

#### Safe

- From a market leading brand Ariel.
- A boosted formula for Professional use.
- Ariel Antibac has higher bleach, enzymes and surfactant vs. Ariel Retail formulation.

#### Simple

- Designed to deliver outstanding results in 1 wash even without pre-washing or pre-soaking.

#### Effective

- Kills 99.999% of bacteria (including MRSA & E. Coli).
- Disinfects as of 40C only.
- Use of high performing ingredients and P&G patented technologies for deep down cleaning results, tough stain removal, brilliant whiteness & a subtle freshness.

#### ★★★★★ Satisfy your guests

Cleanliness can help you improve your ratings & reviews and generate incremental business.

#### Minimize your total operating cost

Ariel PGP superior performance helps you minimize your total operating cost (linen replacement frequency, water use...) and save money for your core business.

#### Contribute to a more sustainable development

Washing your linen from as low as 40°C and once only will help you save water and energy.

#### Care for your staff

Ariel PGP superior performance helps save time and efforts to your staff who doesn't need to rewash several times to get rid of tough stains.

every experience counts.™

# Technical information

## Research & Development Corner

### Light on Ariel Professional superior technologies on disinfection

Even after normal wash procedures, bacteria can still be present.

Ariel Professional Antibac superior technologies are designed to kill 99.999% of bacteria by destroying the robust cell membrane surrounding the bacteria. Its superior bleach system attacks the protein structure while its surfactant system attacks the lipid structure to eventually kill the bacteria.

#### Technical Description

- **EAN code:**
- **Appearance:** White powder with coloured speckles
- **Smell:** Pleasant perfume
- **PH (10%):** 10-11.2
- **Density:** 565g/l

#### Where to Use

- Safe to use on all types of white and colored textiles.
- Can be used at wash temperatures from 30 till 90C. Always follow the wash instructions as mentioned on the fabric label.
- Can be used at all water hardness levels. Adjust the dosage according to your local water hardness level as recommended in the dosing instructions.
- Can be used for pre-wash.

#### Where Not to Use

- Should not be used for wool & silk textiles. A detergent specially designed for wool & silk is advised.

#### Usage & Dosing Instructions

Adjust the dosage according to your local water hardness and the soil level of your laundry items as recommended in the dosing instructions.
