

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1. Product identifier

Product form : Mixture  
Product name : 70% / 30% DENATURED ALCOHOL WIPES  
UFI : GR6M-9DKW-1S62-8AAK

#### 1.2. Relevant identified uses of the substance or mixture and uses advised against

##### 1.2.1. Relevant identified uses

Use of the substance/mixture : Cleaning wipe.

##### 1.2.2. Uses advised against

No additional information available

#### 1.3. Details of the supplier of the safety data sheet

Allied Hygiene Systems Limited  
Unit 5  
Centurion Way, Erith  
DA18 4AF London - United Kingdom  
T +44(0)20 8310 4000 - F +44(0)20 8311 5566  
[admin@alliedhygiene.com](mailto:admin@alliedhygiene.com)

#### 1.4. Emergency telephone number

Emergency number : +44(0)20 8310 4000

### SECTION 2: Hazards identification

#### 2.1. Classification of the substance or mixture

##### Classification according to Regulation (EC) No. 1272/2008 [CLP]

Flammable solids, Category 1 H228  
Full text of H statements : see section 16

##### Adverse physicochemical, human health and environmental effects

Flammable solid.

#### 2.2. Label elements

##### Labelling according to Regulation (EC) No. 1272/2008 [CLP]

Hazard pictograms (CLP) :

GHS02

Signal word (CLP) : Danger  
Hazard statements (CLP) : H228 - Flammable solid.  
Precautionary statements (CLP) : P210 - Keep away from heat, hot surfaces, sparks, open flames and other ignition sources.  
No smoking.  
P280 - Wear protective gloves.  
P403+P233 - Store in a well-ventilated place. Keep container tightly closed.

#### 2.3. Other hazards

No additional information available

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

### SECTION 3: Composition/information on ingredients

#### 3.1. Substances

Not applicable

#### 3.2. Mixtures

| Name                                                                   | Product identifier                                                  | %       | Classification according to Regulation (EC) No. 1272/2008 [CLP] |
|------------------------------------------------------------------------|---------------------------------------------------------------------|---------|-----------------------------------------------------------------|
| ALCOHOL<br>substance with national workplace exposure limit(s)<br>(GB) | CAS-No.: 64-17-5<br>EC-No.: 200-578-6<br>EC Index-No.: 603-002-00-5 | 70 – 80 | Flam. Liq. 2, H225                                              |

Full text of H-statements: see section 16

### SECTION 4: First aid measures

#### 4.1. Description of first aid measures

|                                       |                                                                                                                                                                                                                                                                                       |
|---------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| First-aid measures general            | : Get medical advice/attention if you feel unwell. If medical advice is needed, have product container or label at hand.                                                                                                                                                              |
| First-aid measures after inhalation   | : Move to fresh air in case of accidental inhalation of vapours and keep comfortable for breathing.                                                                                                                                                                                   |
| First-aid measures after skin contact | : Take off contaminated clothing. Wash skin with plenty of water. If skin irritation or rash occurs: Get medical advice/attention.                                                                                                                                                    |
| First-aid measures after eye contact  | : Not expected to present a significant eye contact hazard under anticipated conditions of normal use. Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. |
| First-aid measures after ingestion    | : As the substrate is a wipe material ingestion is highly unlikely but in the event do not induce vomiting and wash mouth out with water. Get medical advice/attention.                                                                                                               |

#### 4.2. Most important symptoms and effects, both acute and delayed

|                                     |                                                                                                       |
|-------------------------------------|-------------------------------------------------------------------------------------------------------|
| Symptoms/effects after inhalation   | : Not expected to present a significant inhalation hazard under anticipated conditions of normal use. |
| Symptoms/effects after skin contact | : May cause slight irritation to the skin.                                                            |
| Symptoms/effects after eye contact  | : May cause slight irritation.                                                                        |
| Symptoms/effects after ingestion    | : May cause irritation to the digestive tract. Ingestion may cause nausea and vomiting.               |

#### 4.3. Indication of any immediate medical attention and special treatment needed

Treat symptomatically.

### SECTION 5: Firefighting measures

#### 5.1. Extinguishing media

|                              |                                                                                                                     |
|------------------------------|---------------------------------------------------------------------------------------------------------------------|
| Suitable extinguishing media | : Dry chemical, CO2, dry sand, or alcohol-resistant foam. Use extinguishing media appropriate for surrounding fire. |
|------------------------------|---------------------------------------------------------------------------------------------------------------------|

#### 5.2. Special hazards arising from the substance or mixture

|                                                  |                                |
|--------------------------------------------------|--------------------------------|
| Fire hazard                                      | : Flammable solid.             |
| Explosion hazard                                 | : Product is not explosive.    |
| Reactivity in case of fire                       | : None known.                  |
| Hazardous decomposition products in case of fire | : Toxic fumes may be released. |

#### 5.3. Advice for firefighters

|                             |                  |
|-----------------------------|------------------|
| Precautionary measures fire | : Evacuate area. |
|-----------------------------|------------------|

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

|                                |                                                                                                                                          |
|--------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Firefighting instructions      | : Exercise caution when fighting any chemical fire.                                                                                      |
| Protection during firefighting | : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing. |

## SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

|                                           |                                                                                                                                        |
|-------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| General measures                          | : Ensure adequate ventilation. Eliminate ignition sources.                                                                             |
| <b>6.1.1. For non-emergency personnel</b> |                                                                                                                                        |
| Protective equipment                      | : Wear recommended personal protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |
| Emergency procedures                      | : Eliminate all ignition sources if safe to do so. Ventilate spillage area.                                                            |
| <b>6.1.2. For emergency responders</b>    |                                                                                                                                        |
| Protective equipment                      | : Wear recommended personal protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |
| Emergency procedures                      | : Eliminate all ignition sources if safe to do so. Ventilate area.                                                                     |

### 6.2. Environmental precautions

Avoid release to the environment.

### 6.3. Methods and material for containment and cleaning up

|                         |                                                                                                                                                                                                                                                                                                                   |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Methods for cleaning up | : Pick up solid material. Place in a suitable container for disposal in accordance with the waste regulations (see Section 13). Use only non-sparking tools. Wash the spillage site with large amounts of water. This material and its container must be disposed of in a safe way, and as per local legislation. |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### 6.4. Reference to other sections

For further information refer to section 8: "Exposure controls/personal protection". For disposal of solid materials or residues refer to section 13 : "Disposal considerations".

## SECTION 7: Handling and storage

### 7.1. Precautions for safe handling

|                               |                                                                                                                                                                                                                           |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Precautions for safe handling | : Ensure there is adequate ventilation. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.                                                                                    |
| Hygiene measures              | : Do not eat, drink or smoke when using this product. Always wash hands after handling the product. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. |

### 7.2. Conditions for safe storage, including any incompatibilities

|                        |                                                                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Storage conditions     | : Store in a well-ventilated place. Keep container closed when not in use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. |
| Incompatible products  | : Strong bases. Strong acids.                                                                                                                                             |
| Incompatible materials | : Sources of ignition. Direct sunlight.                                                                                                                                   |
| Storage area           | : Store in a well-ventilated place. Keep away from ignition sources.                                                                                                      |

### 7.3. Specific end use(s)

Washing and cleaning products (including solvent based products).

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

### SECTION 8: Exposure controls/personal protection

#### 8.1. Control parameters

##### 8.1.1. National occupational exposure and biological limit values

###### ALCOHOL (64-17-5)

###### United Kingdom - Occupational Exposure Limits

|                       |                        |
|-----------------------|------------------------|
| Local name            | Ethanol                |
| WEL TWA (OEL TWA) [1] | 1920 mg/m <sup>3</sup> |
| WEL TWA (OEL TWA) [2] | 1000 ppm               |
| Regulatory reference  | EH40. HSE              |

##### 8.1.2. Recommended monitoring procedures

No additional information available

##### 8.1.3. Air contaminants formed

No additional information available

##### 8.1.4. DNEL and PNEC

No additional information available

##### 8.1.5. Control banding

No additional information available

#### 8.2. Exposure controls

##### 8.2.1. Appropriate engineering controls

###### Appropriate engineering controls:

Ensure adequate ventilation.

##### 8.2.2. Personal protection equipment

###### Personal protective equipment:

Gloves.

###### Personal protective equipment symbol(s):

##### 8.2.2.1. Eye and face protection

###### Eye protection:

Not required for normal conditions of use. Eye protection should only be necessary where liquid could be splashed or sprayed

##### 8.2.2.2. Skin protection

###### Skin and body protection:

Wear suitable protective clothing

###### Hand protection:

Protective gloves. Standard EN 374 - Protective gloves against chemicals.

###### Other skin protection

###### Materials for protective clothing:

Wear suitable working clothes

##### 8.2.2.3. Respiratory protection

###### Respiratory protection:

Not necessary with sufficient ventilation

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

### 8.2.2.4. Thermal hazards

No additional information available

### 8.2.3. Environmental exposure controls

#### Environmental exposure controls:

Avoid release to the environment.

#### Other information:

Do not eat, drink or smoke during use.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|                                                 |                     |
|-------------------------------------------------|---------------------|
| Physical state                                  | : Solid             |
| Colour                                          | : Various.          |
| Odour                                           | : Pleasant.         |
| Odour threshold                                 | : No data available |
| pH                                              | : No data available |
| Relative evaporation rate (butylacetate=1)      | : No data available |
| Melting point                                   | : No data available |
| Freezing point                                  | : No data available |

| Relative vapour density at 20 °C                | : No data available |
| Relative density                                | : No data available |
| Solubility                                      | : Insoluble.        |
| Partition coefficient n-octanol/water (Log Pow) | : No data available |
| Viscosity, kinematic                            | : No data available |
| Viscosity, dynamic                              | : No data available |
| Explosive properties                            | : No data available |
| Oxidising properties                            | : No data available |
| Explosive limits                                | : No data available |

### 9.2. Other information

No additional information available

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

### 10.2. Chemical stability

Flammable solid. Stable under normal conditions.

### 10.3. Possibility of hazardous reactions

No dangerous reactions known under normal conditions of use.

### 10.4. Conditions to avoid

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.

### 10.5. Incompatible materials

Strong acids. Strong oxidizing agents.

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

## SECTION 11: Toxicological information

### 11.1. Information on toxicological effects

|                             |                  |
|-----------------------------|------------------|
| Acute toxicity (oral)       | : Not classified |
| Acute toxicity (dermal)     | : Not classified |
| Acute toxicity (inhalation) | : Not classified |

#### ALCOHOL (64-17-5)

|                                                     |                                                                    |
|-----------------------------------------------------|--------------------------------------------------------------------|
| LD50 oral rat                                       | 7060 mg/kg                                                         |
| Skin corrosion/irritation                           | : Not classified                                                   |
| Additional information                              | : Based on available data, the classification criteria are not met |
| Serious eye damage/irritation                       | : Not classified                                                   |
| Respiratory or skin sensitisation                   | : Not classified                                                   |
| Additional information                              | : Based on available data, the classification criteria are not met |
| Germ cell mutagenicity                              | : Not classified                                                   |
| Additional information                              | : Based on available data, the classification criteria are not met |
| Carcinogenicity                                     | : Not classified                                                   |
| Additional information                              | : Based on available data, the classification criteria are not met |
| Reproductive toxicity                               | : Not classified                                                   |
| Additional information                              | : Based on available data, the classification criteria are not met |
| STOT-single exposure                                | : Not classified                                                   |
| STOT-repeated exposure                              | : Not classified                                                   |
| Additional information                              | : Based on available data, the classification criteria are not met |
| Aspiration hazard                                   | : Not classified                                                   |
| Additional information                              | : Based on available data, the classification criteria are not met |
| Potential adverse human health effects and symptoms | : Based on available data, the classification criteria are not met |

## SECTION 12: Ecological information

### 12.1. Toxicity

|                                                           |                                                                                                                         |
|-----------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Ecology - general                                         | : The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment. |
| Ecology - water                                           | : No data available on ecotoxicity.                                                                                     |
| Hazardous to the aquatic environment, short-term (acute)  | : Not classified                                                                                                        |
| Hazardous to the aquatic environment, long-term (chronic) | : Not classified                                                                                                        |

#### ALCOHOL (64-17-5)

|                                    |                    |
|------------------------------------|--------------------|
| LC50 - Fish [1]                    | 14200 – 15400 mg/l |
| EC50 - Other aquatic organisms [1] | 9000 mg/l          |

### 12.2. Persistence and degradability

#### 70% / 30% DENATURED ALCOHOL WIPES

|                               |                  |
|-------------------------------|------------------|
| Persistence and degradability | Not established. |
|-------------------------------|------------------|

### 12.3. Bioaccumulative potential

#### 70% / 30% DENATURED ALCOHOL WIPES

|                           |                  |
|---------------------------|------------------|
| Bioaccumulative potential | Not established. |
|---------------------------|------------------|

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

### 12.4. Mobility in soil

#### 70% / 30% DENATURED ALCOHOL WIPES

|                |                    |
|----------------|--------------------|
| Ecology - soil | No data available. |
|----------------|--------------------|

### 12.5. Results of PBT and vPvB assessment

No additional information available

### 12.6. Other adverse effects

|                        |                                       |
|------------------------|---------------------------------------|
| Other adverse effects  | : No known effects from this product. |
| Additional information | : Avoid release to the environment.   |

## SECTION 13: Disposal considerations

### 13.1. Waste treatment methods

|                                            |                                                                                                                                                                                                                                       |
|--------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Regional legislation (waste)               | : Disposal must be done according to official regulations.                                                                                                                                                                            |
| Waste treatment methods                    | : Dispose of contents/container in accordance with licensed collector's sorting instructions.                                                                                                                                         |
| Product/Packaging disposal recommendations | : Dispose in a safe manner in accordance with local/national regulations. Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation. |
| Ecology - waste materials                  | : Avoid release to the environment.                                                                                                                                                                                                   |

## SECTION 14: Transport information

In accordance with ADR / IMDG / IATA / ADN / RID

### 14.1. UN number

|               |           |
|---------------|-----------|
| UN-No. (ADR)  | : UN 3175 |
| UN-No. (IMDG) | : UN 3175 |
| UN-No. (IATA) | : UN 3175 |
| UN-No. (ADN)  | : UN 3175 |
| UN-No. (RID)  | : UN 3175 |

### 14.2. UN proper shipping name

|                                       |                                                                              |
|---------------------------------------|------------------------------------------------------------------------------|
| Proper Shipping Name (ADR)            | : SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S.                                 |
| Proper Shipping Name (IMDG)           | : SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S.                                 |
| Proper Shipping Name (IATA)           | : Solids containing flammable liquid, n.o.s.                                 |
| Proper Shipping Name (ADN)            | : SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S.                                 |
| Proper Shipping Name (RID)            | : SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S.                                 |
| Transport document description (ADR)  | : UN 3175 SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S. (ALCOHOL), 4.1, II, (E) |
| Transport document description (IMDG) | : UN 3175 SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S. (ALCOHOL), 4.1, II      |
| Transport document description (IATA) | : UN 3175 Solids containing flammable liquid, n.o.s. (ALCOHOL), 4.1, II      |
| Transport document description (ADN)  | : UN 3175 SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S. (ALCOHOL), 4.1, II      |
| Transport document description (RID)  | : UN 3175 SOLIDS CONTAINING FLAMMABLE LIQUID, N.O.S. (ALCOHOL), 4.1, II      |

### 14.3. Transport hazard class(es)

#### ADR

|                                  |       |
|----------------------------------|-------|
| Transport hazard class(es) (ADR) | : 4.1 |
| Danger labels (ADR)              | : 4.1 |

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

### IMDG

Transport hazard class(es) (IMDG) : 4.1  
Danger labels (IMDG) : 4.1

### IATA

Transport hazard class(es) (IATA) : 4.1  
Danger labels (IATA) : 4.1

### ADN

Transport hazard class(es) (ADN) : 4.1  
Danger labels (ADN) : 4.1

### RID

Transport hazard class(es) (RID) : 4.1  
Danger labels (RID) : 4.1

## 14.4. Packing group

Packing group (ADR) : II  
Packing group (IMDG) : II  
Packing group (IATA) : II  
Packing group (ADN) : II  
Packing group (RID) : II

## 14.5. Environmental hazards

Dangerous for the environment : No  
Marine pollutant : No  
Other information : No supplementary information available

## 14.6. Special precautions for user

### Overland transport

Classification code (ADR) : F1  
Special provisions (ADR) : 216, 274, 601  
Limited quantities (ADR) : 1kg  
Excepted quantities (ADR) : E2  
Packing instructions (ADR) : P002, IBC06, R001  
Special packing provisions (ADR) : PP9  
Mixed packing provisions (ADR) : MP11  
Portable tank and bulk container instructions (ADR) : T3, BK1, BK2

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

Portable tank and bulk container special provisions (ADR) : TP33

Vehicle for tank carriage : AT

Transport category (ADR) : 2

Special provisions for carriage - Packages (ADR) : V11

Special provisions for carriage - Bulk (ADR) : VC1, VC2, AP2

Hazard identification number (Kemler No.) : 40

Orange plates :

Tunnel restriction code (ADR) : E

EAC code : 1Z

### Transport by sea

Special provisions (IMDG) : 216, 274

Packing instructions (IMDG) : P002

Special packing provisions (IMDG) : PP9

IBC packing instructions (IMDG) : IBC06

IBC special provisions (IMDG) : B21

Tank instructions (IMDG) : T3, BK2

Tank special provisions (IMDG) : TP33

EmS-No. (Fire) : F-A

EmS-No. (Spillage) : S-I

Stowage category (IMDG) : B

Properties and observations (IMDG) : Mixtures of non-dangerous solids (such as soil, sand, production materials etc.) and flammable liquids.

### Air transport

PCA Excepted quantities (IATA) : E2

PCA Limited quantities (IATA) : Y441

PCA limited quantity max net quantity (IATA) : 5kg

PCA packing instructions (IATA) : 445

PCA max net quantity (IATA) : 15kg

CAO packing instructions (IATA) : 448

CAO max net quantity (IATA) : 50kg

Special provisions (IATA) : A46

ERG code (IATA) : 3L

### Inland waterway transport

Classification code (ADN) : F1

Special provisions (ADN) : 216, 274, 601, 800

Limited quantities (ADN) : 1 kg

Excepted quantities (ADN) : E2

Carriage permitted (ADN) : B

Equipment required (ADN) : PP, EX, A

Ventilation (ADN) : VE01, VE03

Provisions for inspection of holds during carriage (ADN) : IN01, IN02

Number of blue cones/lights (ADN) : 1

Additional requirements/Remarks (ADN) : VE03, IN01 and IN02 apply only when this substance is carried in bulk or without packaging

### Rail transport

Classification code (RID) : F1

Special provisions (RID) : 216, 274, 601

Excepted quantities (RID) : E2

Packing instructions (RID) : P002, IBC06, R001

Special packing provisions (RID) : PP9

Mixed packing provisions (RID) : MP11

Portable tank and bulk container instructions (RID) : T3, BK1, BK2

Portable tank and bulk container special provisions (RID) : TP33

# 70% / 30% DENATURED ALCOHOL WIPES

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

Transport category (RID) : 2  
Special provisions for carriage – Packages (RID) : W1  
Special provisions for carriage – Bulk (RID) : VC1, VC2, AP2  
Colis express (express parcels) (RID) : CE11  
Hazard identification number (RID) : 40

### 14.7. Transport in bulk according to Annex II of Marpol and the IBC Code

Not applicable

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

Contains no REACH substances with Annex XVII restrictions

Contains no substance on the REACH candidate list

Contains no REACH Annex XIV substances

Contains no substance subject to Regulation (EU) No 649/2012 of the European Parliament and of the Council of 4 July 2012 concerning the export and import of hazardous chemicals.

Contains no substance subject to Regulation (EU) No 2019/1021 of the European Parliament and of the Council of 20 June 2019 on persistent organic pollutants

#### 15.1.2. National regulations

No additional information available

### 15.2. Chemical safety assessment

No chemical safety assessment has been carried out

## SECTION 16: Other information

Data sources : REGULATION (EC) No 1272/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006.

Other information : None.
