RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO Disposable Gloves offer:

- Nitrile and vinyl blend offering improved tensile strength and puncture resistance
- More comfortable with greater dexterity than vinyl gloves
- Ambidextrous fit means you don't have to split a pair to replace a damaged glove
- Beaded cuff provides extra strength during donning and helps prevent liquid roll back
- Reduces risks of latex allergies (Type I sensitisation) and minimises particulate contamination
- 100 pieces per box
- Suitable in food preparation and light handling areas
