PRODUCT SPECIFICATION

FILTERING HALF MASK RESPIRATOR RD FFP3

Product code: P384
Size: One size
Colour: White/Blue

Features

- A multi-layered filtration material and exhalation valve
- Nose clip to shape the half mask at the nose.
- Internal lining improves tightness and comfort of use.
- Anatomical shape of the mask, nose clip and internal sealing foam, make the half mask easy to fit most face shapes.

Applications

- Ideal for use in environments where protection is required against the harmful effect of dust, solid and liquid aerosols.

Standards and certification

- Category III PPE
- Conforms to EN 149:2001+A1:2010
