

## 600mm Ultra Hygienic Squeegee - Green

SKU: PLSB60G

804548015034

600mm single blade Polypropylene squeegee, threaded to fit all handles in the Hygiene Range, with overmoulded single rubber blade. It is seamless, one-piece, very easily cleaned, light, very durable, metal free and wonderfully effective. The rubber in this squeegee is a special oil resistant formula. However if oil is likely to be in contact with the squeegee regularly, the user should do tests beforehand, to make sure the squeegee performs to expectations. Recommended handles ALH7, ALH27, ALH8. Many other types of squeegee are available, including swivel head squeegees, double foam squeegees, and wood and metal frame squeegees. See also the Anti-Microbial AMPLSB60.
